11. INSTRUCTIONS TO BIDDERS (ITB):

- i) **Submission of Bid:** In order to submit the Bid, the bidders have to get themselves registered online on the e-Procurement portal of CIL i.e. at <https://coalindiatenders.nic.in> with valid Digital Signature Certificate (DSC) issued from any agency authorized by Controller of Certifying Authority (CCA), Govt. of India and which can be traced up to the chain of trust to the Root Certificate of CCA. The online Registration of the Bidders on the portal will be free of cost and onetime activity only. The prospective bidders should register for availing the services through the option "**Online Bidder Enrollment**" on the homepage of <https://coalindiatenders.nic.in>. The registrations should be in the name of bidder, whereas DSC holder may be either bidder himself or his duly authorized person.
- ii) It is the bidder's responsibility to comply with the system requirement i.e. hardware, software and internet connectivity at bidder's premises to access the e-tender website. Under any circumstances, ECL shall not be liable to the bidders for any direct/indirect loss or damages incurred by them arising out of incorrect use of the e-tender system or internet connectivity failures.
- iii) The bidders will have to accept unconditionally the online User Portal Agreement available at <https://coalindiatenders.nic.in> which contains the acceptance of all the Terms and Conditions of NIT including General and Special Terms & Conditions, Integrity Pact and other conditions, if any, along with online undertaking in support of the authenticity of the declarations regarding the facts, figures, information and documents furnished by the Bidder online in order to become an eligible bidder. No conditional bid shall be allowed/accepted. This User Portal Agreement will be a part of NIT and the agreement.
- iv) In the undertaking given by bidder online, there will be provision for penal action, if any information/declaration furnished online by the bidder against eligibility criteria is found to be wrong at any stage, which changes the eligibility status of the bidder.
- v) For online submission of tender, the bidders will have to upload "Letter of Bid", all the confirmatory documents as prescribed in the CHECK LIST of NIT in **Cover-I** and only "Price-bid" in **Cover-II**. In case of EMD exemption one more document in support of the claim of EMD exemption will have to be uploaded by the bidder in Cover I.
- vi) **LETTER OF BID (LOB):** The format of Letter of Bid (as given in the Tender Documents) will be downloaded by the bidder and will be printed on Bidder's letterhead and the scanned copy of the same will be uploaded during bid submission in cover-I. This will be the covering letter of the bidder for his submitted bid. The content of the "Letter of Bid" uploaded by the bidder must be the same as per the format downloaded from website and it should not contain any other information.

The Letter of Bid (LOB) will be digitally signed by DSC holder submitting bid online and it does not require any physical signature. However, if the Letter of Bid (LOB) bears the physical signature in addition to the digital signature of DSC holder, it will be accepted without questioning the identity of person signing the Letter of Bid.

If there is any change in the contents of Letter of Bid uploaded by bidder as compared to the format of Letter of Bid uploaded by the department with NIT document, then the bid will be rejected. However inclusion of any additional redundant information by the Bidder in the submitted Letter of Bid (LOB), which does not contradict the content and spirit of original format of LOB uploaded by department will not be a cause of rejection of his/her bid.

vii. CONFIRMATORY DOCUMENTS: All the confirmatory documents as enlisted in the **CHECK LIST** of NIT in support of online information submitted by the bidder are to be uploaded in **Cover-I** by the bidder while submitting his/her bid.

viii. PRICE BID: The Price bid containing the Bill of Quantity will be in **.xls** format (password protected) and will be uploaded during tender creation. This will be downloaded by the bidder and he will quote the rates for all items on this Excel file. Thereafter, the bidder will upload the same Excel file during bid submission in Cover-II. The Price-bid will be in **Percentage Rate** BOQ format and the bidder will have to quote for all the tendered items and the L-1 will be decided on overall quoted value (i.e. Cost to company).

NOTE: The rates quoted by bidder shall be inclusive of all Taxes, if any applicable, but excluding Goods & Service Tax (GST) & GST Compensation Cess.

The system will compute the amount of GST and GST Compensation Cess (if applicable), as per predefined logic in the BOQ sheet. The Price bid file will be digitally signed and uploaded by the bidder in Part-II/Cover-II.

DECISION OF L1: The L-1 will be decided based on “COST TO COMPANY” in the following manner:

(i). If Input Tax Credit is Available:

COST TO COMPANY = Quoted Price of Bidder excluding (GST + GST Compensation Cess) (as applicable)

(ii). If Input Tax Credit is Not Available:

COST TO COMPANY = Quoted Price of Bidder excluding GST and GST Compensation Cess (as applicable) (+)
Amount of GST + GST Compensation Cess (as applicable)

Payment/deposit of GST is the responsibility of the Contractor (Supplier).

NOTE: Payment of GST and GST Compensation Cess (if applicable) would be made to the Contractor only on submission of Bill/Invoice in accordance with the provision of relevant GST Act & Rules and after filing of return online on the GST Portal. Input Tax Credit is to be availed by ECL as per rule.

The Price-bids of the tenderers will have no condition. The Price Bid which is incomplete and not submitted as per instruction given above will be rejected.

ix. Tender Status: It will be the bidder's responsibility to check the status of their Bid online regularly, after the opening of bid till award of contract. Additionally, information shall also be sent by system generated email and SMS at nodal points (Date of bid opening, Requisition for Clarification on Confirmatory document from L-1 bidder, award of work etc.). No separate communication will be required in this regard. Non-receipt of e-mail and SMS will not be accepted as a reason of non-submission of Confirmatory documents within prescribed time. This will be specifically mentioned in the NIT. The Tender Status will be in public domain and anyone visiting the site can view it by identifying the tender.

12. OPENING OF BID: Tender (Cover-I and Cover-II) will be decrypted and opened online by the “Bid Openers” with their Digital Signature Certificates on the prescheduled date & time of Tender Opening.

INSTRUCTIONS TO BIDDERS w.r.t. REVERSE AUCTION (Applicable for ECV ₹ 1 Crore & above):

a) Upon opening of the price bids, a reverse auction platform will be created, displaying only the L1 price received. No indication will be available in the portal to anybody regarding number of bids and names of the bidders.

b) Reverse Auction Process (RAP) will be initiated after opening of price bids, as detailed in Cl. 15.

c) There will be no participation fees for e-Reverse auction.

d) Initial period of reverse auction will be 2 (Two) hours. There will be auto extensions of time every time by 10 (Ten) minutes

in case of any reduction recorded in the last ten minutes. The reverse auction will come to a close only when there is no further reduction recorded in the last ten minutes slot.

- e) The L1 price / Start Bid price is cost to the company price on which the auction will be initiated. At the end of reverse auction, the L1 bidder has to submit break up of prices conforming to the lowest landed rate quoted by him in the reverse auction.

The bidder(s) who have participated in the reverse auction has to upload the **Breakup** of cost to company Prices in the confirmatory documents. The detailed Breakup of offered cost to company price, uploaded by the bidder shall be considered and order, if placed, shall be with the same break-up of prices. The bidder(s) after reverse auction will be responsible to ensure that the cost to company rate as per the breakup of prices provided by him after the reverse auction and the cost to company rate offered by him in the reverse auction is exactly same. **The bidder will not be allowed to increase the rate of any item while submitting the breakup.** While giving the break up, the bidder will have to consider same rate of taxes and duties as quoted while submitting the e-price bid. In case the bidder(s) fail(s) to submit the break-up of cost to company price within stipulated period or the breakup given by the bidder does not match with total offered price, the Company will be at liberty to place order by proportionately reducing items rates on the basis of the breakup of the e-Price Bid submitted by the bidder along with the initial offer and the same will be binding on the bidder.

- f) **Start Bid Price:** The Start Bid Price for Reverse Auction will be **L1 Price or approved Estimated/Justified Price (only estimated price in case of mining tenders) + 10% + applicable GST including GST Compensation Cess, if any taking into consideration of Input Tax Credit, if applicable whichever is lower.**

NOTE : *If the L-1 is higher than the Start Bid Price (Estimated/Justified Price + 10% + applicable GST including GST Compensation Cess, if any taking into consideration of Input Tax Credit, if applicable) and the RAP is not triggered within the scheduled time, the cases will be retendered.*

- g) **Decremental Value:** The decrement value will be **0.5 %** of the start bid price. The reduction by the bidder shall have to be made as per decrement value or in multiple thereof. **The maximum seal Percentage in one go will be fixed as 2 % over and above existing normal decrement value of 0.5 % i.e. total 2.5 % of Start Bid price/last quoted price during reverse auction, whichever is lower.**
- h) System protects bid and bidder information till auction gets over and displays current L1 price to the bidder in auction dashboard. System provides bidder details along with bid documents at the end of reverse auction process only.
- i) The log details of the entire reverse auction process will be generated by the system once the process of reverse auction is completed.
- j) If a bidder does not submit his bid in the Reverse Auction, the price quoted by him in the price bid shall be considered as the valid price of that bidder. The status of the bidder (L1, L2, etc.) will be evaluated considering either the bid price submitted in Reverse auction or the Price quoted in the price bid, whichever
- k) Server time shall be the basis of Start time & Closing time for bidding and shall be binding for all. This would be visible to all concerned.
- l) On expiry of the closing of the auction, the bid history showing all the last valid bids offered along with name of the bidders shall be published. All bidders shall have the facility to see and get a print of the same for their record.
- m) The bid history shall reflect only the landed price. The landed price shall also not be same for two bidders even if any bidder makes such an attempt.
- n) All electronic bids submitted during the reverse auction process shall be legally binding on the bidder. The chronologically last bid submitted by the bidder till the end of the auction will be considered as the valid price bid offered by that bidder and acceptance of the same by ECL will form a binding contract between ECL and the bidder for entering into a contract. Any bid submitted earlier by the bidder prior to submission of his last bid will not be considered as the valid price bid.
- o) Conditional discounts shall not be considered. If a bidder offers a discount unilaterally after submission of bid, the discount will not be considered for evaluation of offers but will be availed if order is placed on such tenderer.
- p) The L1 bidder after reverse auction will be responsible to ensure that the cost to company rate as per the breakup of prices

provided by him after the reverse auction and the L1 cost to company rate offered by him in the reverse auction is exactly same, otherwise it may be treated as defaulter and will attract penal action. While giving the break up, the bidder will have to consider same rate of taxes and duties as quoted while submitting the e-Price Bid. In case the L1 bidder fails to submit the break-up of cost to company price within stipulated period, the Company will be at liberty to place order on the basis of the breakup of the e-Price Bid submitted by the bidder along with the initial offer and the same will be binding on the bidder.

- q) If the lowest price received during reverse auction is unreasonable or it is unacceptable on ground of being too high or too low compared with estimated price, the management reserves right to seek justification of the price from lowest bidder. If the price is not considered reasonable, management may not accept such bid and go for another tender process.
- r) In case of disruption of service at the service provider's end while the RAP is online, due to any technical snag or otherwise attributable to the system failure at the server end, the RAP process will start all over again. In such a situation, the last recorded lowest price of prematurely ended RAP, will be the 'Start Bid' price for the restarted RAP. The prices quoted in the prematurely ended RAP will be binding on all the bidders for consideration, if the restarted RAP does not trigger within the stipulated time.
- s) Disruption and restarting of RAP shall be intimated to all the bidders through system/SMS/e- mail through e procurement portal. All the time stipulations of normal RAP will be applicable to the restarted RAP.
- t) Since, reverse auction is a sequel to e-Tender, the process of finalizing the tender upon completion of reverse auction will be same as the tender process without reverse auction

13. Evaluation by SYSTEM: The e-Procurement System will evaluate the Technical bids automatically on the basis of relevant data provided by bidder through a form in an objective and structured manner while submitting bid. If the parameter given by bidder in objective and structured manner does not confirm to required eligibility criteria as specified in the tender document then the bid will be automatically rejected by the system. The system will automatically upload the technical opening summary and technical evaluation summary.

Acceptance of Bidder in a general form of online declaration will be recognized and accepted as the certification regarding authenticity of all the information and documents furnished by them online and acceptance of all terms and conditions of the bid document, since such acceptance by Bidder with Digital Signature Certificate is legally tenable.

14. Evaluation by EVALUATOR:

- A. After opening of Price Bid/Auction Bid, the documents submitted by L-1 bidder in Cover-I as enlisted in the NIT will be downloaded by the Evaluator and shall be put up to the Tender Committee. The Tender Committee will examine the uploaded documents against information/declarations furnished by the L1 bidder online. If it confirms to all of the information/ declarations furnished by the bidder online and do not change the eligibility status of the bidder then the bidder will be considered eligible for award of Contract.
- B. In case the Tender Committee finds that there is some deficiency in uploaded documents by L1 bidder then the same will be specified online by Evaluator clearly indicating the omissions/shortcomings in the uploaded documents and indicating start date and end date allowing 7 days (7 x 24 hours) time for online re-submission by L1 bidder. The L-1 bidder will get this information on their personalized dash board under "Upload confirmatory document" link. Additionally, information shall also be sent by system generated email and SMS, but it will be the bidder's responsibility to check the updated status/information on their personalized dash board regularly after opening of bid. No separate communication will be required in this regard. Non-receipt of e-mail and SMS will not be accepted as a reason of non-submission of documents within prescribed time. The bidder will upload the scanned copy of all those specified documents in support of the information/ declarations furnished by them online within the specified period of 7 days. If the L1 bidder fails to submit the specified document/s in 7 (Seven) days, 5 more days (5 x 24 hours) of time may be given by Evaluator clearly indicating the omissions/shortcomings in the uploaded documents and indicating start date and end date for submission of such document/s.
- C. The tender will be evaluated on the basis of documents uploaded by L-1 bidder online. The L-1 bidder is not required to submit hard copy of any document through offline mode. Any document submitted offline will not be given any cognizance in the evaluation of tender.
- D. In case the L-1 bidder submits requisite documents online as per NIT, then the bidder will be considered eligible for award of Contract.
- E. In case the L-1 bidder fails to submit requisite documents online as per NIT or if any of the information/declaration furnished by L-1 bidder online is found to be wrong by Tender Committee during evaluation of scanned documents

uploaded by bidder, which changes the eligibility status of the bidder then his **bid shall be rejected and EMD of L-1 bidder will be forfeited.**

- F. In case the L1 bidder is rejected due to noncompliance of confirmatory documents then the L-2 bidder will become L-1 bidder and confirmatory documents of this bidder shall be evaluated by TC and the process shall be followed as mentioned in clause no. A to F above.
- G. The process as mentioned at **Cl. 14 F** would be repeated till the work is either awarded or all the eligible bidders are exhausted.
- H. It is responsibility of Bidders to upload legible/clearly readable scanned copy of all the required documents as mentioned above.
- I. The Tender Committee will recommend for award of work to the successful bidder after evaluating their technical eligibility based on the computer generated evaluation sheets followed by evaluation of the scanned documents uploaded by L-1 bidder in support of the information furnished by them online and after evaluation of the reasonableness of L-1 rates.
- J. After competent approval and financial concurrence of TCR, the work order to the L-1 bidder will be issued and the scanned copy of the Work Order will be uploaded on the e-Procurement portal and simultaneously the original copy will be sent to the bidder through registered/speed post.

- f. The EMD of successful bidder (on Award of Contract) will be retained by ECL and will be adjusted to Performance Security Deposit.

18. Every Tenderer is expected, before quoting his rates, to go through the requirements of materials/workmanship under specification/requirements and conditions of contract and to inspect the site/area of the proposed work at his own cost.

It shall be deemed that the tenderer has visited the site/area and got fully acquainted with the working conditions and other prevalent conditions and fluctuations thereto whether they actually visited the site/area or not and have taken all the above factors into account while quoting his rates.

19. All Duties taxes and other levies, payable by the contractor (**Excluding GST and GST Compensation Cess (if applicable)**) under the contract or for any other cause as applicable on the last date of submission of tender shall be included in the rates, prices and the total bid price submitted by the bidder. All incidentals, overheads etc. as may be attendant upon execution and completion of works shall also be included in the rates, prices and total bid price submitted by the bidder

However, such duties, taxes, levies etc. which is notified after the last date of submission of tender and / or any increase over the rate existing on the last date of submission of tender shall be reimbursed by the company on production of documentary evidence in support of payment actually made to the concerned authorities.

The company reserves the right to deduct/withhold any amount towards taxes, levies, etc. and to deal with such amount in terms of the provisions of the Statute or in terms of the direction of any statutory authority and the company shall only provide with certificate towards such deduction and shall not be responsible for any reason whatsoever.

- 20. Cost of Bidding:** The bidder shall bear all costs associated with the preparation and submission of his bid and the Employer will in no case be responsible and liable for those costs.
- 21.** The Tenderer shall closely study all specifications in detail, which govern the rates for which he is tendering.
- 22. Currencies of Bid and Payment:** The unit rates and prices shall be quoted by the Bidder entirely in **Indian Rupees (INR)** only.
- 23.** The work should be completed within the stipulated period which shall be reckoned from the 10th day of issue of Letter of Acceptance/work order or from the actual date of handing over the site or handing over reasonable number of working drawings to the contractor, whichever is later.
- 24.** On completion of the work all rubbish, debris, brick bats etc. shall be removed by the contractor(s) at his/their own expense and the site cleaned and handed over to the company and he/they shall intimate officially of having completed the work as per contract.
- 25.** The Tenderer(s) will deploy sufficient number and size of equipments/machineries/vehicles and the technical/ supervisory personnel required for execution of the work.
- 26. Change in Constitution of the Contracting Agency:** Prior approval in writing of the company shall be obtained before any change is made in the constitution of the contracting agency, otherwise it will be treated as a breach of Contract.
- 27.** Canvassing in connection with the tenders in any shape or form is strictly prohibited and tenders submitted by such tenderers who resort to canvassing shall be liable for rejection.
- 28.** The Bidder, who's Bid has been accepted, will be notified of the award online and also by registered post by the employer prior to expiration of the bid validity period. The L-1 bidder will get the information regarding award of work on their personalized dash-board online. On receipt of Letter for Acceptance (LOA)/Work Order of the tender issued by the Company, the successful tenderer shall execute contract agreement in the company's prescribed form for the due fulfillment of the contract. Failure to enter into the required contract within the specified period in the work order shall entail cancellation of LOA/work order and forfeiture of the Earnest Money. The written contract to be entered into between the contractor and the company, shall be the foundation of the rights of both the parties and the contract shall not be deemed to be executed until the contract is signed by both the parties i.e. Contractor and the Company.
- 29. Bid Validity:** The validity period of the tenders shall be **120 (One Hundred and Twenty) days** from the end date of bid submission.

In exceptional circumstances, prior to expiry of the original time limit, the Employer may request the bidders to extend the period of validity for a specified additional period. The employer's request and the bidder's responses shall be made in writing. A bidder may refuse the request without forfeiting his bid security. A bidder agreeing to the request will not be required or permitted to modify his bid but will be required to extend the validity of his bid security/EMD (if submitted in the form of BG) for a period of the extension and in compliance with Clause 4 of NIT in all respects.

The Tenderer shall not, during the said period or within the period extended by mutual consent, revoke or cancel his tender or alter the tender or any terms/conditions thereof without consent in writing of the company. In case the tenderer violates to abide by this, the Company will be entitled to take action as per Clause No. 30 (Modification and Withdrawal of Bid) of NIT.

30. Modification and Withdrawal of Bid:

Modification of the submitted bid shall be allowed online only before the deadline of submission of tender and the bidder may modify and resubmit the bid online as many times as he may wish.

Bidders may withdraw their bids online within the end date of bid submission and their EMD will be refunded. However, if the bidder once withdraws his bid, he will not be able to resubmit the bid in that particular tender. For withdrawal of bid after the end date of bid submission, the bidder will have to make a request in writing to the Tender Inviting Authority. Withdrawal of bid may be allowed till issue of work order/LOA with the following provision of penal action:

- i. The EMD will be forfeited. Earnest Money/Performance Security forfeited will be inclusive of GST and impositions of penalty, if any.
- ii. The bidder will be debarred for **1 Year** from participating in tenders in ECL.

The Price-bid of all eligible bidders including this bidder will be opened and action will follow as under:

- If the bidder withdrawing his bid is other than L 1, the tender process shall go on.
- If the bidder withdrawing his bid is L-1, then re-tender will be done.

Note:

i. In case of clause above, a letter will be issued to the bidder by Tender Inviting Authority with the approval of Tender Accepting Authority (in case Board is Tender Accepting Authority then with the approval of CMD), stating that the EMD of bidder is forfeited, and this bidder is debarred for 1 (One) year from participating in tenders in ECL.

This letter will be circulated to all Areas and ECL, HQ and the updated list will be maintained by all Tender Inviting Authority/Evaluators.

Penal action against above will be enforced from the date of issue of such order.

31. Bid Extension: If number of bids received online is found to be less than **3 (Three)** on end date of bid submission then the following critical dates of the Tender will be automatically extended initially for a period of **2 (Two) days** ending at 17.00 hrs and if the number of bids still remains less than three then for another **5 (Five) days** ending at 17.00 hrs:
