Tender document will be available from the office of the Area Engine

(Excavation). It will be supplied on free of cost on demand subject to be available to show all the relevant documents on above schedule working days except Sunday and Holiday and on Saturday from 10 AM to 12:30 PM. Also tender document will be available from the website of www.easterncoal.gov.in.

2.TENDER EVALUATION.

The documents submitted by bidder will be evaluated by the tender committee. L-1 bidder qualified in technical scrutiny and if it confirms to all of the NIT terms and conditions by the bidder then the bidder will be eligible for award of Contract. In case the tender committee finds that there is some deficiency in submitted documents or in case corresponding document have not been submitted by the L-1 bidder, then the same will be specified by Evaluator clearly indicating the omission/shortcomings in the submitted documents and indicating start date and end date allowing seven days (7 X 24 hours) time for resubmission by L-1 bidder. The L-I bidder will get this information on the address and email ID provided on his letter head, but it will be the bidders responsibility to check the information on their email ID or address. No separate communication will be required in this regard. Non-receipt of email and letter will not be accepted as a reason of transmission of documents within prescribed time. The L1 bidder will submit the copy of specified documents in support of the information/ declarations furnished by them online within the specified period of 07 days. No further clarification shall be sought from L-I bidder.

In case the L-I bidder fails to submit requisite documents as per NIT or if any of the information/declaration furnished by L-I bidder is found to be wrong by Tender Committee during evaluation of documents submitted by bidder, than his bid shall be rejected and EMD of L-I bidder will be forfeited and tender shall be re-tendered (with the same or different quantity as per the instant requirement).

3) Tenderers are required to deposit the requisite amount of earnest money (EMD) in form of DemandDraft/B Cheque to the Cashier, S.P. Mines Area. B CHEQUE/DD drawn **in favour of EASTERN COALFIELDS LIMITED**, A/C **S.P. Mines** on any nationalized bank **payable at Chitra**(Preferably on S.B.I) & same should be submitted with the bid in a sealed cover. The E.M.D will be refunded to the unsuccessful bidders after finalization of the tender. The EMD of the successful bidder will be refunded on completion of job. No tender shall be considered unless accompanied by the requisite earnest money.

4) No document will be considered by the tender committee after scheduled date & time of dropping of the tender. Tender should clearly mention the time to complete the job and the term of the payment etc

5) Transporting charges up & down should be mentioned, if any.

6) **Payment:** 90% payment will be made within 21 (Twenty One)days after the successful completion of the work , delivery of the same at our site with submission of bill duly certified by the Engineer In-Charge(Excv),Chitra Colliery and remaining 10% payment will be made after successful completion of the above performance guarantee period.

7) **PAYMENT MODE**-Payment should be done through RTGS/NEFT, for which necessary information has to be furnished by the firm.

8) **VALIDITY OF OFFER**-120 days from the date of opening of the tender.

9)**Warranty** should be minimum 6 months/1500 working hrs from the date of repairing /handing over the job after repair, whichever is earlier.

10) Photocopy of CMPF Registration," CMPF registration is must for all contractors. In case contractor has not applied for CMPF Registration earlier & they have no work order then, they must apply for CMPF Registration after getting Work Order within 10 days of allotment of Work Order, otherwise bill will not be processed."

11) CLIP Registration under Coal India Website is must for all the contractors. In case contractor has not applied for CLIP Registration earlier & they have no work order then, they must apply for CLIP Registration after getting Work Order within 10 days of allotment of Work Order, otherwise bill will not be processed."

12) Taxes must be mentioned clearly as applicable on the date of tender submission. Offer L-1 will be considered incl. of all taxes.

13) **Acceptance Certificate** by you, for government guidelines on labour engaged in repair of the items will be your accountability / responsibility along with all terms and condition of NIT. Complete safety of the manpower deployed by you for the above jobs at our site will be yours responsibility only. You will be responsible for any compensation/loss of life/injuries of your manpower and the management shall have no liability whatsoever in this regard.

No medical aid will be provided to the contractor and his workers/staffs by ECL management. It shall be the responsibility of the contractor to ensure that every workman deployed by him for completing the contract has undergone BASIC TRAINING or REFRESHER TRAINING and initial Medical Examination by mines act 1985. All manpower deployed by you for repairing should wear safety helmet, safety jacket and safety shoes etc. It will be your prime responsibility to fully comply with DGMS circulars. All other terms and conditions and safety rules of ECL will be applicable.

14) Tenderers must agree to the scope of work of the NIT and no deviation will be accepted.

15) Standard force majeure clause of ECL will be applicable.

16) Eligibility Criteria:-

- i. The intending tenderer must have experience of successful completion of following work during last seven years ending on 31st march of previous financial year in Govt./PSU unit.:-
 - a. Three similar type of repairing works of HEMMs each costing not less than 40% of the estimated cost.
 - b. Two similar type of repairing works of HEMMs each costing not less than 50% of the estimated cost.
 - c. One similar type of repairing works of HEMMs each costing not less than 80% of the estimated cost.
- ii. Photocopy of valid **PAN**.
- iii. Photo copy of valid **GSTIN**.
- iv. Photo copy of valid **CMPF Certificate**.

17) Bank account details with IFSC Code are to be provided in the bid.

18) **L D Clause:** In case of delay in the job/work completion and late delivery of the ordered materials by you, penalty should be imposed @ **0.5% per week** delay or part thereof subject to a maximum of 10% of the total work order value. However, ECL management reserves the right to consider for the extension of time if it is necessary under some unavoidable circumstances and adverse conditions. If the execution of the job is abandoned by contractor, the same will be completed with prior intimation to the contractor by other agencies as per prevailing at the contractors cost.

19) All clarification are to be cleared offline at the Office of the General Manager, Excavation Department, S.P. Mines Area , P-O: Chitra , District: Deoghar , Jharkhand-815351.

20) **WORK SITE-** The above mentioned repair jobs to be done at our site or the work site may be changed, if required as per the decision of the Management any time at any stage. In such case, if the job is to be done out of our site, then the job will be routed through Area/Unit Store,Chitra OCP, SP Mines Area ,Consignee: DEPOT Officer, S P Mines Area. To and fro transportation shall be borne by the vendor at their own cost and expenditure. No to and fro transportation will be provided by the ECL.

21) **FINAL INSPECTION** : The final inspection of the said job will be carried out by Engineer-in-charge (Excavation), Chitra Colliery.

22) **SITE VISIT**: Before submission of offer, the bidder at their own cost and responsibility can visit the site with due permission of concerned HOD. They are expected to go through the requirement of materials/manpower, specifications etc. and it shall be deemed fit that they have visited the site and got fully acquainted with the job.

23) The Company reserves the right to postpone/extend the date of receipt and opening of the tender or to reject the tender partly or wholly without assigning any reason whatsoever.

24) ECL would not be liable for any compensation due to stoppage/change in scope of work due to local disturbances, change in Govt. Policy, Law and any other judiciary obstruction or delay by an outside element /agency. Other terms & conditions of ECL for contractual work will also be applicable.

25) Terms and conditions as per the latest & updated company norms will be applicable and acceptable by bidder at any time.

26) The firms are requested to submit the job/work cost in breakup form, indicating actual cost of electrodes along with rates and quantities, material cost, labour charges, taxes (GST), testing etc charges etc.

27) The quotation must be typed. Handwritten quotations are not acceptable. Quotation erased and overwriting will be rejected unless corrections are authenticated with the tenderers signature. All documents submitted by the tenderer(s) are to be authenticated with the tenderer signature and seal.

28) Payment of wages including CMPF/EPF/ESI etc to workmen as per present Minimum Wages Act (Relevant/Applicable) has to be made through Nationalized Bank only. The GST will be applicable as per rule.

29) The other terms and conditions of NIT not covered under this document will be as per the manual of civil engineering works (MCEW) of CIL and Manual for e-procurement of Works and Services in CIL and subsequent amendments thereafter, which may be seen on www.coalindia.in and www.easterncoal.nic.in

30) The contract may be terminated by the Company if it is found that the information furnished at the time of tender were false and action may be taken as per standing terms and conditions of ECL.

ANNEXURE-I

For boom foot repairing, boom & stick repairing with other miscellaneous jobs in CK-300 Hydraulic Shovel Sl. No: B791/14 at Chitra OCP.

Scope of work:

1. Foot bore new shim plate cutting & welding. Outer dia: 9", shim dia: 5", thickness: 1", Weld Length: 87.92", Weld Volume: 10.99cu inch, Weight of required electrode: 2.44kgs
 2. Foot pin bore metal deposition & grinding bore 5"dia. Weld length: 4", Weld Volume: 31.4cu inch, Weight of required electrode: 6.98kgs
 3. Boom crack welding. Weld length: 79", Weld Volume: 39.5 cu inch, Weight of electrode: 8.77kgs
 4. Arm crack welding: a) weld dimension: 16"x1.5"x1.5", Weld Volume: 18cu inch, b) weld dimension: 18"x1.5"x1.5", Weld Volume: 20.25cu inch, c) weld dimension: 19"x1.5"x1.5", Weld Volume: 21.37cu inch, d) weld dimension: 21"x1.5"x1.5", Weld Volume: 23.62cu inch
 5. Boom bore (making with stick) metal deposition and grinding. Bore dia:4.5", Weld length: 4", Weld Volume: 56.52cu inch, Weight of electrode: 12.56kgs
 6. Arm bore (making with boom) metal deposition and grinding. Bore dia:4.5", Weld length: 4", Weld Volume: 28.56cu inch, Weight of electrode: 6.28kgs
 7. Boom pin lock hole metal deposition & grinding. Wornout dia: 3.5", finishing dia:2", length:1", Weld Volume: 4.71cu inch, Weight of required electrode: 1.05kg
 8. Boom lock plate block welding & grinding. Weld Volume: 7.5cu inch, Weight of required electrode: 1.67kg
 9. Cabin mounting support welding. Weld Volume: 4.5cu inch, Weight of electrode: 1kg
- Total weight of required electrode : 59 kgs, gouging electrode reqrd: 10kgs

SUMMARY:-

Sl.No.	Description Of Work	Unit	Approx. Quantity	Firm Quoted Rate (₹)	Firm Quoted Amount (₹)
1	Gouging Electrode	KG	10		
2	Deposit Electrode CPEM021 or equivalent	KG	21		
3	Electrode Eutectrode 400 or equivalent	KG	20		
4	Electrode Eutectrode 700 or equivalent	KG	18		
5	Grinding Wheel 4" dia	NO	10		
6	D.A+Oxygen, jig & fixtures etc	NO	1		
A	Total Materials Cost				
B	Total Labour Cost				
i.	CMPF @12% on labour cost				
ii.	CMPS @ 7% on labour cost				
C	Overhead/ Supervision Cost				
D	Sub Total=A+B(i+ii)+C
